

Declaration of Compliance to REACH SVHC

Ampleon Netherlands B.V. hereby declares compliance of our products with the Regulation (EC) No. 1907/2006, (REACH) except as noted on the appendix. This includes our products and packaging materials that are articles according to Art. 3 (3) REACH.

- **Compliance with Restrictions on the manufacturing, placing on the market and use of certain dangerous substances (Article 67 and Annex XVII REACH)** for all our Articles we have sold / shipped and sell / ship to our customers.

Should any of the Articles fail to comply with any of the restrictions or contain any of the restricted substances listed in Annex XVII REACH, we will inform our customers accordingly which of the Articles are affected with the respective substance names.

The List of Restrictions may be accessed on the website of ECHA (for informational purposes only): [Candidate List of substances of very high concern for Authorisation](#)
Only source of binding EU legislation is the [Official Journal of the European Union](#).

- **Compliance with the duty to communicate information on substances in articles (Article 33 (1) REACH)**

We hereby declare, to the best of our knowledge, that none of our Articles except as noted on the appendix that we have sold / shipped to our customers contain any Substances of Very High Concern (SVHC) as of the current Candidate List above a threshold of 0.1% w/w on all our components as published by ECHA with latest publication dated January 19, 2021. Changes to the current REACH candidate list is regularly reviewed by our Sustainability office.

In case that Articles we have sold / shipped and sell to our customers contain any of the SVHCs mentioned in the current Candidate List under REACH with concentrations above the threshold of 0.1% w/w, we shall inform our customers in writing-which of the Articles or products are affected (by part number) and will provide sufficient information to facilitate their safe use or return as needed.

This declaration of compliance to REACH is available in our company website and is reviewed regularly as we launch new products to maintain accuracy.

Appendix – EU REACH Provisions

Ampleon has identified materials within its products and packaging materials that may contain EU REACH SVHC candidate substances in excess of 0.1% by weight.

Substance is:

- Lead (EC# 231-100-4, CAS# 7439-92-1 per EU Decision ED/61/2018, date of inclusion – 27/06/2018 (See Note 1)

Notes:

1. Some suppliers of substrates, solder materials (wires, and pastes), capacitors, coils, inductors, resistors, bumped semiconductor die and die shields have reported this substance in their material composition declaration. Ampleon may declare this substance in excess of 0.1% by weight for impacted articles.
