## Ampleon Longevity Statement

Ampleon offers a **dedicated longevity** for many of our products so as to provide supply reliability to our customers. Life cycles for participating Ampleon products begin with the launch of the product series and will be available for a minimum period of 7 years. The program is subject to Ampleon's standard end-of-life notification policy.

Ampleon manufactures through our own factories, qualified outside foundries and other manufacturing resources. In the event that transfer of a longevity product to another facility becomes necessary, Ampleon will re-qualify the participating product.

Ampleon offers the longevity products below under its general terms and conditions of commercial sale (<https://www.ampleon.com/about/general-terms-and-conditions-of-sale.html>) and reserves the right to provide longevity product substitution or successor version within a product series which do not adversely affect form, fit or function of the participating product.
